Wow!

We find a little penguin and learn all about penguins and where they live so we can take him home on 'Flight Day'!

**All creatures great and small
All creatures great and small**

**In Spring 1,
In Spring 1,
I will learn to:
I will learn to:**

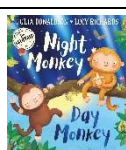

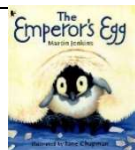

Wow!

We take part in our first Ganas project and showcase our work at the end of the half term!

Literacy	Mathematics	Understanding the World	Expressive arts and Design
We follow the Twinkl phonics scheme which follows the letters and sounds progressional model. Comprehension Listen to stories read in class and be able to talk about the different animals and their habitats. Word reading Recall level 2 and some of the level 3 sounds and use them to read words and simple sentences. Writing Write a simple caption using the sounds I know.	We follow the Mastering Number and White Rose progressional models for maths. Number Investigate numbers up to 10 including different representations. Numerical Patterns Count and compare amounts up to 10 including more/less and the pattern of counting.	Past and Present Learn about the journeys of explorers from the past. People, culture and communities Explore and talk about the differences between different England and Antarctica. The Natural World Use our senses to explore winter and be able to compare winter to other seasons. Compare different animal habitats and explore different animals.	Creating with materials Explore colour mixing. Being Imaginative and Expressive Invent stories through play in the role play and small world areas.
