

The Richard Clarke First School

Funding for P.E. and Sport Statement

**Sports Premium Funding
Budget
£8455**

Summary of Sports Premium Proposed Spending 2015/2016

The Government has given every school funding to help develop Physical Education and competitive sport.

In our school we are using this funding in the following ways:

- To build upon last year's success by continuing to increase the amount of competitive sport in which our children participate.
- Buy in a P.E. specialist to lead P.E. lessons and support, develop and up-skill the teaching staff.
- To forge links with neighbouring Independent Schools to enhance range of activities offered (Eg: trampolining)
- To continue to use the P.E. specialist to supplement the lunchtime games and sports offered and including the upskilling of lunchtime staff. This includes the training of *Young Leaders* and the implementation of the *Change for Life* programme.
- Lunchtime PE teacher to devise new activities on new timber trail to target less active/agile children.
- To increase the diversity and range of additional clubs which will strengthen and embed the skills taught in the curriculum.
- Inclusion in the *Castelle Partnership* to include staff training, competitions and in-house support for action planning and development of PE including additional whole- school Sports Days.

Impact of Sports Premium Spending 2014-2015

- Sainsburys School Games Gold Award maintained.
- Increased participation in inter school competitions – (66% in 2013-14 to 83% in 2014-15%) of KS2 children participated in a range of tournaments.
- Pupil voice indicates increased enjoyment in playtimes (See annual questionnaires).
- Parent voice indicates appreciation of range of afterschool club and activities (See annual questionnaires).
- *Young Leaders* continue to deliver active lunchtimes termly and celebrate achievements by individual pupils in weekly assembly.
- Lessons continue to be highly regarded.
- Specialist coaching bought in to support staff to deliver a wider range of skills.
- P.E. co-ordinator attended termly network meetings with all schools and CPD opportunities offered by *Castelle Consultancy and Progressive Sports*.

- Data continues to be collected on the number of pupils participating in extra-curricular sport. This is being repeated to ensure the impact is sustained.
- Maintenance of 2 hours of timetabled physical activity per week with additional activities offered after school and at lunchtime.
- PE progress data show improvement in standards.
