

The Richard Clarke First School

Funding for P.E. and Sport Statement

**Sports Premium Funding
Budget
£8500**

Impact of Sports Premium Spending for 2016-2017

- Sainsburys School Games Gold Award maintained for 4th Year running.
- Increased participation in inter-school competitions – (66% in 2013-14 to 85% in 2016-17) of KS2 children participated in a range of events.
- 100% of Rec, KS1 & 2 pupils participated in at least 2 intra-school competitions throughout the year.
- Pupil voice indicates increased enjoyment in playtimes (See annual questionnaires).
- Parent voice indicates appreciation of range of afterschool club and activities (See annual questionnaires).
- *Young Leaders* continued to deliver active lunchtimes termly and celebrate achievements by individual pupils in assembly.
- Lessons continued to be highly regarded and staff CPD enhanced. Monitoring now in place to gauge success using the introduction of a staff questionnaire for feedback and continual CPD needs for future sustainability.
- Specialist coaching bought in to support staff delivering a wider range of P.E. skill.
- P.E. co-ordinator/lead completed the level 5 Certificate in Primary School Physical Education ensuring continued professional development is a priority in the delivery of top class PE throughout our school.
- Data continues to be collected on the number of pupils participating in extra-curricular sport to ensure the impact is sustained. Introduction of lunchtime clubs to further enhance provision at alternative times and in addition to afterschool clubs.
- Maintenance of 2 hours of timetabled physical activity per week with additional activities offered after school and at lunchtime.
- PE assessment data shows improved standards across every year group and has exceeded our own target set at 75% for the 2016-17 academic year. 80% of our pupils are either meeting or exceeding standards in PE. Progression within each year group has also improved; particularly those pupils identified as requiring a specific P.E. intervention.
- Specific P.E. intervention programmes have been developed and delivered tailored to the specific needs of the individual and have been monitored for success. The results have been so positive that these programmes will be extended next year and will become an integral part of our P.E provision going forward.
- Swimming programme has been a huge success with pupils enhancing their abilities due to the extra time spent in the pool and the addition of ASA awards programme. Parent's attendance at the Swimming Gala was beyond our expectations with very positive comments.
