Charging and Remissions Policy

Aim

The aim of this policy is to set out what charges will be levied for school activities, external lettings and extended school provision, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents. Guidance is based on the Education Act 1996: Sections 449-462.

Responsibilities

The Governing Body of the School are responsible for determining the content of the policy and the head teacher for implementation. Any determinations with respect to individual parents will be considered jointly by the head teacher and the Governing Body.

Definitions

Community Facilities – activities which the governors do not feel is of direct educational benefit to children at the school

Extended school provision – provision of childcare outside the standard school day where it is optional as to whether the child attends

External Lettings – letting to an organisation other than the school

Remission – where a charge is not payable, either in full or in part

School Access Fund- a reserve put aside over a number of years to pay for resources to benefit the pupils of Richard Clarke First School.

Prohibition of Charges

The Governing Body of the School recognise that the legislation prohibits charges for the following:
