- *Young Leaders* continued to deliver active lunchtimes termly and celebrate achievements by individual pupils in assembly.
- Lessons continued to be highly regarded and staff CPD enhanced. Monitoring in place to gauge success using staff questionnaires for feedback and continual CPD needs for future sustainability.
- Specialist coaching bought in to support staff delivering a wider range of P.E. subjects.
- P.E. co-ordinator/lead enrolled on further CPD courses ensuring delivery of top class PE throughout our school and shared experiences.
- Data continues to be collected on the number of pupils participating in extra-curricular sport to ensure the impact is sustained. Lunchtime clubs have continued to further enhance provision at alternative times and in addition to afterschool clubs.
- Maintenance of 2 hours of timetabled physical activity per week with additional activities offered after school and at lunchtime.
- PE assessment data shows improved standards across every year group and has exceeded our own target set at 80% for the 2017-18 academic year. 85% of our pupils are either meeting or exceeding standards in PE. Progression within each year group has also improved; particularly those pupils identified as requiring a specific P.E. intervention.
- Specific P.E. intervention programmes have been developed and delivered tailored to the specific needs of the individual and have been monitored for success. The results have continued to be positive and are now an integral part of our P.E provision going forward.
- Swimming programme has been a huge success with pupils enhancing their abilities due to the extra time spent in the pool. The inclusion of year 2 swimming this year proved such a success that it will continue in the future.
