Our School Council Promise -

I promise I will be helpful, confident, considerate and fair.

School Rules - Each council member needs to think of 5 rules that link to the core values. The rules need to be positive rather than negative e.g. Always listen to others rather than 'Don't be rude'. These will be discussed at the next meeting where we will look at our school rules.

Next Meeting - Wednesday 16th October at 12.45pm

We will look through the rules and choose some from each class. We will also talk about pupil conferencing.
