Dear Chartwells,

I wanted to pay tribute to the work of Lisa Lister. She has provided food hampers to vulnerable students throughout partial closure, looked after staff and students in keyworker schools always wanting to go above and beyond.

Lisa has organised a volunteer team of staff to deliver food parcels where families are unable to collect their parcel.

As a result of her work, we have brought in charitable donations of over £10,000 to support the provision of food hampers. She must be an asset to Chartwells and is a much valued member of our team.

Kind regards,

Julie Rudge

Chartwells Have Received Amazing Feedback!

To friends at The Compass Group

Dear Grace Taylor

I am writing to thank you and the Compass Group for your generous support of the work of Cannock and District Foodbank.

Your recent donation of food to our warehouse at Coniston Hall was extremely welcome and we were very grateful to receive it.

The Coronavirus pandemic has had a profound effect on our work and it has been difficult for donations of food to be made in the way that we have come to rely upon. This has been a challenging time trying to ensure that we have sufficient stocks of the variety of food that we need to support people in need.

We really value your support greatly, especially at this difficult time.

With every good wish.

Tony
