

Richard Clarke – Recovery Premium 2021-22

Recovery Premium 2021-22

There are two types of funding, one school led funding and the other the recovery premium.

<https://www.gov.uk/government/publications/school-led-tutoring-grant>

The school tutoring grant is £607.50

<https://www.gov.uk/government/publications/recovery-premium-funding/recovery-premium-funding>

The recovery premium is £2000 for the whole year

Total budget: £2607.50

Objectives of Recovery Premium

Schools should spend this premium on evidence-based approaches to support pupils. In line with the Education Endowment Foundation's pupil premium guide, activities should include those that:

- support the quality of teaching, such as staff professional development
- provide targeted academic support, such as tutoring
- deal with non-academic barriers to success in school, such as attendance, behaviour and social and emotional support

Like the pupil premium, schools can:

- spend the recovery premium on a wider cohort of pupils than those who attract the funding
- direct recovery premium spending where they think the need is greatest

Item	Who / Where	Cost	Purpose
TA support	5.50 hours for 31 weeks (time or thereabouts remaining, term time only)	- total £2588	Classroom support for Y3 maths/reading/phonics Small group interventions 1:1 support
			Total: £2588

How will the impact of the plan be monitored?

We will use our in school tracking and internal assessments to monitor the progress of the target groups. These may include:

- Intervention summaries with before and after observations and scores
- Phonics screening assessments
- Reading records
- PIRA, Whiterose maths and SPAG assessment scores
- Diagnostic reading analysis and Salford
- Renfrew information and grammar scores
- Focus points assessments in maths, reading and writing
